29 Dates and tuition

Scholarships, tuition, fees, start and end dates.

As one of America's premier hands-on research universities, UNH will help you stand out from the crowd.

Welcome to the University of New Hampshire

“As you learn about the tremendous potential that UNH offers to our international students, I am confident that you will understand why UNH offers you unparalleled opportunities for personal growth and academic excellence.

From the day you arrive, you'll be working alongside some of the brightest, most innovative, and forward-looking students and faculty in the world. UNH supports more than 100 undergraduate majors and 80 research

centers, with modern facilities set on a campus that is rated as one of the most environmentally sustainable in the world. I also rate it as one of the friendliest, fostering a shared sense of exploration, encouragement, respect and understanding. At UNH, you'll find one of the best academic experiences the world has to offer, at a place that will help you offer your best to the world.”

MARK W. HUDDLESTON
President, University of New Hampshire

UNH: where first-class experience begins

With a rich history of traditions dating back to 1866, UNH combines the atmosphere of a small New England liberal arts college with the resources and opportunities of a major research university.

The University of New Hampshire is distinguished by its commitment to high quality degree programs, a location in a beautiful and culturally rich part of the seacoast of New England. UNH has a strong learning culture in which students collaborate with faculty in teaching, research and creative expression along with a commitment to international outreach.

Top tier research university

At UNH, you will lay the foundations for a successful future by receiving a hands-on learning experience. As a land, sea and space grant institution, UNH offers many opportunities to collaborate with faculty and government agencies for research in groundbreaking areas of study. UNH is only one of three universities in the northeast of the U.S. to collaborate with NASA, the others being Harvard and MIT.

Learn from the best and study with the brightest

UNH boasts around 2,000 classes in over 100 majors, delivered by internationally recognized top-notch professors dedicated to undergraduate teaching in business, liberal arts, physical science and our esteemed engineering programs, along with wide range of internships and student exchange programs. Smaller class sizes allow for a more student-focused learning environment with 44% of our classes comprising of fewer than 20 students.

High employment prospects

Through its many internship programs students have the opportunity to gain valuable work experience while they finish their degrees. The hands-on lab work performed by students allows them to put into practice the theory they are learning in the classroom. This is why many Fortune 500 companies make regular recruiting trips to UNH.

UNH is ranked among the top 400 world universities in the Academic Rankings of World Universities (ARWU), 2015.

Top tier
research university

UNH is one of the top three universities in the country for space plasma physics and has supplied instruments for 24 space missions.

UNH: where innovation meets success

UNH provides opportunities for students to actively engage with employers or undertake research to have a competitive advantage in their chosen field upon graduation.

Business and Economics

UNH's Peter T. Paul College of Business and Economics, ranked among the top 100 U.S. business schools by *Bloomberg Businessweek*, delivers the highest quality undergraduate and graduate business education. Students learn the foundation of best business practices, while also being challenged to push the boundaries of existing knowledge and create new avenues for exploration in their fields.

At Paul College, students thrive on the edge of possible. The college's dedicated Career Center connects students with global employers who value graduates' academic and professional preparation. The result is superb job placement: 96 percent of undergraduates seeking employment have jobs six months after graduation, and 88 percent of these jobs are directly related to their majors.

Liberal Arts

As an undergraduate, explore majors in the humanities, fine and performing arts, education and social sciences that will help you understand what it means to be human and learn how to live well together. As you discover what you are most passionate about, you'll also develop critical-thinking, writing and analytical skills that are in high demand in every job field and will serve you well for a lifetime.

Graduate study includes a range of certificate, master's and Ph.D. programs across the disciplines. Liberal Arts faculty members are Fulbright scholars, Pulitzer Prize winners and some of the most influential scholars in their fields. The college generates approximately \$5 million in sponsored research annually.

Engineering and Physical Sciences

The programs of the College of Engineering and Physical Sciences are ranked among the best engineering programs in the country by *U.S. News & World Report*, 2016. All engineering and computer science programs at UNH are accredited by the American Board of Engineering and Technology (ABET).

UNH Interoperability Lab (IOL)

The UNH-IOL is the only full-scale, non-profit test lab in the world that balances industry expertise with the real-world training of future engineers. More than 100 graduate and undergraduate student employees work with full-time UNH-IOL staff, gaining hands-on experience with developing technologies and products with over 100 companies, including:

- Apple
- BMW
- Cisco
- Dell
- IBM
- Intel
- Microsoft
- Samsung

Space Science Center

UNH has a space science center on campus, which is NASA recognized. It has supplied instruments for 24 space missions, and two UNH alumni are in the ranks of NASA astronauts.

Flow Physics Facility

UNH is home to the Flow Physics Facility — the world's largest scientific quality boundary-layer wind tunnel facility. Engineers and scientists can better understand the dynamics of turbulent boundary layers, such as atmospheric wind over the ocean, the flow of air over a commercial airplane or of sea water over a submarine.

Marine Science & Ocean Engineering

UNH includes a number of cooperative institutes, academic and research centers that support marine science research and exploration, including:

- Center for Coastal & Ocean Mapping
- Center for Ocean Renewable Energy
- Institute for the Study of Earth, Oceans and Space
- School of Marine Science and Ocean Engineering

99%

**employment rate
at the IOL and
many students
already have jobs
before graduating.**

UNH is one of 9 U.S. universities that hold a combination of Land, Sea and Space Grants, and its professors and students participate in research reaching from deep sea to deep space.

Cultivating future researchers and industry leaders

UNH offers many opportunities to learn alongside world-class industry leaders and experts to help you prepare for a successful career after graduation.

International Research Opportunities Program (IROP)

IROP grants are competitive awards supporting qualified research projects in diverse global settings such as government agencies, museums, archaeological and historical sites, laboratories and field sites. By working closely with a UNH mentor, students identify potential research sites and foreign mentors, and address issues of cross-cultural preparation.

Undergraduate Research Conference (URC)

Each year over 1,800 UNH undergraduate students from all academic disciplines present at the URC. The presentations showcase the results of their engaged and creative scholarly research in over 20 professional and artistic venues, making the UNH URC one of the largest conferences of its kind in the U.S.

Social Venture Innovation Challenge (SVIC)

Founded in partnership with Nobel Peace Prize winner, Muhammad Yunus, the SVIC is an idea-stage competition that engages aspiring student entrepreneurs in designing sustainable solutions to some of society's most pressing social and environmental challenges. SVIC winners receive awards to help advance these promising models.

Paul J. Holloway Prize Competition

This multi-track competition takes students out of the classroom and into the real world. The Holloway Competition challenges students to develop products or services and present their business plans before panels of business leaders who judge their commercialization potential. More than \$100,000 in cash and in-kind services, such as industry feedback and mentoring, are awarded throughout the competition.

“It was scary when I first came to UNH—as I was in a new environment, new culture and totally different place than I was used to back home. I maintained an open mind and positive attitude and said what makes you different makes you unique. From that moment on I never looked back, since then I’ve become a Resident Assistant, a diversity Ambassador, and became senator of the National Society for Black Engineers.”

SRIYAA SHAH
India, IUTP Academic: Liberal Arts
(Psychology)

We've got your back

From the moment they arrive on campus, UNH students are supported in their quest to identify pathways to rewarding careers and in their preparation for life after college. Taking advantage of our many career preparation services is one way that UNH students parlay a strong education in any discipline into a lifetime of learning and success.

87%

*Survey data gathered from 2014 graduates by the UNH Career Center

Each year, the UNH Career Center holds two Career & Internship Fairs. Each fair, over 1,000 UNH students/alumni and over 130 companies attend. Students from all majors attend the fair.

A truly global alumni network

Graduates with a degree from UNH can start their careers anywhere, from New England to California to Singapore. With 133,000 alumni living in the U.S. and in 78 countries across the globe, your UNH alumni network is there to support you.

UNH's Pathways Mentoring Program pairs interested students with alumni that have a similar major or work in a related professional field. Through the program, alumni share their first-hand knowledge of what to expect after graduation and students develop solid skills as they prepare to launch successful careers.

Your entry options to UNH

University of New Hampshire offers various programs to cater to students with different levels of academic and English proficiency.

Direct admission

Applicants who meet UNH's undergraduate or graduate admission requirements may apply directly to UNH.

admissions.unh.edu/apply/international-students

International University Transfer Program / Pre-Master's Program

UNH offers an International University Transfer Program (IUTP) and Pre-Master's Program (PMP), both allow students to take university credit courses while in a small class environment. From the day you enroll in either program, you are a UNH student. Successful completion of the IUTP/PMP ensures progression into year 2 of the degree program at UNH.

Your path to a UNH degree

UNH offers programs with flexible entry requirements for both undergraduate and graduate students.

Undergraduate program

Pre-Master's Program

* Entry into the second year of an undergraduate degree program is dependent upon successful completion of IUTP with the specified subjects and grade point average (GPA). † A recognized and accredited degree will be determined by the admissions department.

‡ Entry into a master's degree program is dependent upon successful completion of PMP with the specified subjects and grade point average (GPA).

Our commitment to student support

UNH understands the transition to university level study can be challenging and recognizes the importance of meeting your academic and personal needs during your studies.

Program benefits

- UNH student from day one
- I-20 will be issued from UNH and valid for entire duration of degree program
- no SAT, ACT, GRE or LSAT required for admission
- receive academic credit on your UNH transcript
- additional classes and support provided
- small class sizes (25 students)
- three intakes per year (January, May and August)

Orientation

All new students will participate in a comprehensive orientation program.

During orientation you will receive valuable information to help you settle into your studies as quickly and comfortably as possible. Throughout orientation you will have the chance to:

- receive your course schedule
- meet student mentors and new friends
- learn about academic and social resources available
- tour the campus
- move into your accommodation
- shop for supplies

Academic support

The academic team and teaching staff are available throughout the semester for individual or group consultations. Student support officers meet with students regularly to ensure they are progressing successfully through the program and are prepared for the demands of university study. These sessions give you the opportunity to discuss any academic or personal concerns you may have, so you and the student support officer can work together to find an immediate solution individualized for you.

“As a student in the pathway program you have the advantage of smaller class sizes and additional contact hours, coupled with caring staff ready to assist you as you transition into life at UNH and in the USA.”

BOBBI GERRY
Executive Director, Navitas at the
University of New Hampshire

International University Transfer Program (IUTP)

The International University Transfer program (IUTP) at UNH is designed to ensure you gain the skills necessary to excel during your UNH degree.

International University Transfer Program (IUTP): Academic

IUTP Academic is equivalent to the first year of a bachelor's degree. IUTP Academic consists of university credit-bearing courses and provides an academic and cultural bridge from your high school experience to studying for a university degree in the United States. Upon successful completion of IUTP Academic, you will move directly into the second year of your chosen degree.

To meet the needs of academically advanced students, a two semester IUTP Academic option has been developed to help students quickly progress through year one, while offering the same support and benefits as the IUTP Academic three semester program.

International University Transfer Program (IUTP): English

IUTP English gives you the opportunity to earn college credits while improving your English proficiency. Upon successful completion of IUTP English, you will progress to IUTP Academic and then move directly into the second year of your chosen degree.

IUTP study plan options

IUTP ACADEMIC: 2 SEMESTERS (3.0 GPA, IELTS 6.0 / TOEFL 75)

IUTP ACADEMIC: 3 SEMESTERS (IELTS 5.5 / TOEFL 70)

IUTP ENGLISH: 4-6 SEMESTERS (IELTS 4.5 / TOEFL 50)

Please refer to page 13 for academic and English language entry requirements for each study plan option.

Undergraduate entry requirements

	IUTP ACADEMIC 2 semesters	IUTP ACADEMIC 3 semesters	IUTP ENGLISH 1-3 semesters
Academic qualifications	Completion of Year 12 (or equivalent)*	Completion of Year 12 (or equivalent)*	Completion of Year 12 (or equivalent)*
GPA*	3.0 GPA	2.5 GPA	2.5 GPA
SAT/ACT required?	NO	NO	NO
IELTS	6.0 (no band lower than 5.5)	5.5 (Reading/Writing: 5.5, Speaking/Listening: 5.0)	4.5-5.5†
TOEFLiBT	76 or higher	70-75	50-69
Pearson Versant Test (PVT)	60+ (no band lower than 57)	57-59 (no band lower than 55)	38-56
GCE/SPM	B or higher	C or higher	D (1 semester)
HKDSE	Level 4 or higher	Level 3 or higher	Level 2 (1 semester)
Letters of recommendation	NO	NO	NO
Application fee	NO	NO	NO

* See page 20-21 for equivalent academic entry requirements for different countries. † See page 14 for IUTP English IELTS Reading/Writing/Speaking/Listening minimums. Each band within IELTS (Reading, Writing, Speaking and Listening) is taken into consideration when evaluating your eligibility for the program, regardless of your overall score. UNH will administer the Institutional TOEFL Test upon arrival to confirm the IUTP program duration. Lower or higher than projected English proficiency will change the initially-agreed-upon number of semesters.

This information is correct at the time of printing; however, if there are any changes to these requirements they will be updated at unh.navitas.com

19:1

Student/faculty ratio

UNH maintains the highest standards of teaching, and its programs are delivered by qualified university instructors selected for their skill in working with international students.

Intakes

Academic requirements

Refer to page 20-21 for country-specific requirements

English language requirements

Refer to table below*

IUTP English

Students in IUTP English take courses in elementary, intermediate and advanced English as a Second Language (ESL) subjects.

English

Classes are divided into Reading/Writing and Speaking/Listening, each taught by a different instructor. Students will receive four and half hours of instruction, four days a week. Depending on your English proficiency, this program can take between 1-3 semesters to complete.

ESL instructors are available to assist students with course assignments and to offer encouragement and advice about strategies for success.

The average ESL class size is only 12-15 students, which means you will receive individual attention. Upon successful completion of IUTP English, you will progress to IUTP Academic in Business and Economics, Engineering and Physical Sciences or Liberal Arts and then enter the appropriate bachelor's degree program at UNH.

Skills learned

As you advance in your ESL coursework, you will learn many valuable skills, including:

- how to read and summarize university level texts
- how to write various types of academic essays
- how to prepare and give class presentations
- how to conduct academic research to find information to use in writing assignments

Academic credit

Successful completion of your IUTP English program will result in 16 credits that will be applied to your UNH degree.

International University Transfer Program (IUTP): English**Required courses:**

- ESL 410 & ESL 411 – Elementary English
- ESL 420 & ESL 421 – Intermediate English
- ESL 430 & ESL 431 – Advanced English
- NAV 102 – Integrated Learning Skills

**International University Transfer Program (IUTP): Academic**

- Business and Economics
- Engineering and Physical Sciences
- Liberal Arts

IUTP English language requirements (1-3 semesters)**IELTS**

Duration of program	Overall score	Reading minimum	Writing minimum	Speaking minimum	Listening minimum
One semester	5.5	5.0	5.0	5.0	5.0
Two semesters	5.0	5.0	5.0	5.0	5.0
Three semesters	4.5	4.5	4.5	4.0	4.0

Any band 4.5 or lower in any area is automatic three semester offering. No band lower than 4.5 in reading and writing and no band lower than 4.0 in speaking and listening will be accepted for IUTP English.

Other English proficiency requirements

Duration of program	TOEFL-iBT	GCE O Levels/SPM	HKDSE	Pearson Versant Test (PVT)
One semester	62-69	D	Level 2	50-56 (no band lower than 47)
Two semesters	56-61	n/a	n/a	41-49 (no band lower than 38)
Three semesters	50-55	n/a	n/a	38-40

*UNH will administer the Institutional TOEFL Test upon arrival to confirm the IUTP program duration. Lower or higher than projected English proficiency will change the initially-agreed-upon number of semesters. Students entering IUTP English are required to complete IUTP Academic prior to entering Year 2 of the UNH bachelor's degree.

Best Undergraduate Business Programs

(*Bloomberg Businessweek*, 2016)

Program information

128 credit hour program less 36 credit hours applied from IUTP = 92 credit hours remaining towards degree

Progression requirements

- Cumulative GPA of 3.0 in final IUTP semester
- No grade below C- in ECON 401/402 and MATH 425
- Minimum 28 credits earned during IUTP

Elective courses (choose two)

- CS 408 – Living in a Networked World
- ECE 444 – Bionics: Technology from Nature
- HIST 410 – Historical Survey of American Civilization
- MATH 418 – Pre-Calculus‡
- MATH 426 – Calculus II
- MUSI 405 – Survey of Music in America
- PHYS 405 – Intro to Modern Astronomy
- POLT 401 – Politics and Society

Program highlight

Home to the second oldest hospitality management program in the U.S., UNH's undergraduate students in the hospitality management program choose from three concentrations: hotel and resort management, food and beverages management or event management. Students must also complete 800 paid internship hours. Placements with industry leaders, such as Hilton and Marriott, are very high for UNH graduates.

UNH — it's your choice

UNH offers direct pathways into degree programs in Business and Economics, Engineering and Physical Sciences, and Liberal Arts. However, UNH has over 100 majors within five colleges/schools. Upon successful completion of your first semester sophomore year (year 2), you may be eligible to apply to other colleges or majors at UNH including:

College of Life Science and Agriculture

Bachelor of Arts

- Sustainable Agriculture and Food Systems
- Zoology

Bachelor of Science

- Animal Science
 - Dairy Management
- Biochemistry, Molecular and Cellular Biology
- Biology
- Biomedical Science
 - Medical Laboratory Science
 - Medical Microbiology
 - Medical and Veterinary Sciences
- Community and Environmental Planning
- Environmental and Resource Economics
- Environmental Conservation and Sustainability
- Environmental Sciences
 - Ecosystems
 - Hydrology
 - Soil and Watershed Management
- Equine Studies
 - Equine Industry and Management
 - Therapeutic Riding
 - Equine Science
- Forestry*
- Genetics
 - Genomics
- Marine, Estuarine and Freshwater Biology
- Neuroscience and Behavior
 - Animal Behavior
 - Integrative Neuroscience

- Nutrition

 - Nutrition and Wellness
 - Nutritional Sciences
- Sustainable Agriculture and Food Systems
- Wildlife and Conservation Biology
- Zoology

School of Health and Human Services

Bachelor of Science

- Athletic Training
- Communication Sciences and Disorders
- Health Management and Policy
- Human Development and Family Studies
 - Child Advocacy and Family Policy
 - Young Child/Nursery-Kindergarten
 - Family Support/Family Life Education
 - Individual and Family Development
- International Affairs (dual major)
- Kinesiology
 - Exercise Science
 - Outdoor Education
 - Physical Education
 - Sport Studies
- Nursing
- Occupational Therapy
- Recreation Management and Policy
 - Program Administration
 - Therapeutic Recreation
- Social Work

* Designated degree (the name of the specialization is on the diploma, e.g., BS in Forestry).

Note: Entry into the colleges and majors listed above is subject to UNH's standard admissions regulations. Students may apply for entry to other programs but may require additional subjects to complete the undergraduate degree.

200+ DEGREE PROGRAMS

“I chose UNH mainly because the Hospitality Program is the second oldest program in the United States and I want to work in that industry. Also, UNH offers lots of job opportunities for students. I chose to be a Resident Assistant. My duties include fostering a friendly community with students and introducing new students to the university environment.”

KSENIA BIDZHIEVA
Russia, IUTP Academic: Business and Economics (Hospitality Management)

A group of students in a laboratory setting. In the foreground, a young woman with sunglasses on her head is looking down at a small green frog she is holding. She is holding a yellow pencil and has a clipboard with a pen attached to it. Behind her, other students are also looking at their work. The background shows wooden structures and a large blue tank containing water and seaweed.

**The International University
Transfer Program (IUTP)
and Pre-Master's Program
(PMP) offer flexible entry
requirements in both
academics and English.**

IUTP: Academic entry requirements

To be eligible for entry into IUTP: Academic and IUTP: English, all students must have successfully completed a minimum of five core academic subjects including English, Mathematics, Science, Social Sciences and Foreign Languages (e.g. Chinese, Korean, Spanish, Turkish, Vietnamese, Hindi, Urdu, Swahili, etc.).

Secondary school academic results/certificates are evaluated using a holistic review process. UNH considers the overall GPA, the progression of grades and the individual GPA of the five core academic subjects.

Country	IUTP entry requirements
Argentina	Bachiller with a 7–10
Australia	Year 12 with a 60% or higher
Azerbaijan	Successful completion of complete secondary education (3–5)
Bahrain	Tawjahiya Secondary School Certificate with a 60% or higher
Bangladesh	Higher Secondary Certificate (HSC) with a 60% or higher
Botswana	Botswana General Certificate of Secondary Education with a 2nd Class, 2nd Division or C average
Brazil	Brazilian Secondary School Leaving Certificate (Certificado de Ensino Médio) with a 7–10
Brunei	Third class honors
Cambodia	Baccalauréat (Baccalaureate) with a 6–10
Chile	Licencia de Educación Media (academic) with a 5–7
China	Upper Middle School Graduation Certificate with a 70% or higher
Colombia	Título de Bachiller with a 7.5–10
Ecuador	Bachiller with a 7–10
Egypt	General Secondary Education Certificate with a 65% or higher
Fiji	Fiji School Leaving Certificate (Form 6) with a 6–1
France	Baccalauréat Général with a 11–20
Ghana	Senior Secondary School Certificate Examination with a D or higher
Hong Kong	Level 2 or higher in all subjects
India	All India Senior Secondary Certificate (CBSE) with 50% and higher
Indonesia	SMA3 with 7.0 or higher
Iran	Peesh-daneshgahii with a 13–20
Israel	Teudat Bagrut with a 55% average or higher
Japan	Kotogakko Sotsugyo Shosho (Upper Secondary School Leaving Certificate) with a 3–5
Jordan	Tawjihi (Academic) with 60% or higher
Kazakhstan	Successful completion of complete secondary education / Attestat (3–5)
Kenya	Kenya Certificate of Secondary Education (KCSE) with a C or higher
South Korea	High School Certificate with a 70% (Mi) average or an average rank of 6–1
Kuwait	Shahadat Al-Thanaawiya-Al-A'ama (Secondary School Diploma) with a 70% or higher
Laos	Baccalaureat II with an overall score of 12–20 (assez bien)
Macau	Follow China, Hong Kong, Taiwan, or Portugal grading scales depending on educational program
Malaysia	SPM with C (credit) or higher. UEC with B (credit) or higher
Mauritius	See General Certificate of Secondary Education (GCSE, IGCSE)
Mexico	Certificado de Bachillerato with a 7–10
Mongolia	School Leaving Certificate (Gerchilgee) with a C or 3–5
Myanmar	Basic Education Standard Exam Diploma (Academic & Vocational) with a 4 or 50% or higher
Nepal	Higher Secondary Certificate (HSC) with 50% average or higher
Nigeria	General Certificate of Education with a 5–1
Oman	Thanawiya Amma (General Secondary School Certificate) with 65% or higher
Pakistan	Higher Secondary Certificate (HSC) with 50% average or higher
Panama	Diploma de Bachiller with a 71% or higher

Country	IUTP entry requirements
Peru	Bachillerato Académic with a 12–20
Philippines	High School Diploma with 80% or higher
Portugal	Certificado de Fim de Estudos Secundarias with 10–13 (suficiente)
Qatar	Al–Thanawiya Aama Qatari with 60% or higher
Russia	Successful completion of complete secondary education / Attestat (3–5)
Saudi Arabia	Shahadat Al–Marhalat Al–Thanawiyat (General Secondary Education Certificate) with a 70% or higher
Singapore	See General Certificate of Secondary Education (GCSE, IGCSE)
South Africa	Senior Certificate with Matriculation with C average or matriculation endorsement with 50% or higher
Sri Lanka	Sri Lanka O Levels: C grade or 55% or higher
Sweden	Avgångsbetyg with VG grade or higher
Taiwan	Senior High School Graduation Certificate with a C or higher
Tanzania	Certificate of Secondary Education with a E5 –A1
Thailand	Matayom 6 with 60% or higher
Turkey	Lise Diplomasi with 55% or 3 points (Orta) or higher
Uganda	Uganda Certificate of Education with a 7–1
Ukraine	Successful completion of complete secondary education / Attestat (6 or higher)
United Arab Emirates	Tawjihyya (General Secondary Education Certificate) with a 70% or higher
United Kingdom	See General Certificate of Secondary Education (GCSE, IGCSE)
USA	Successful completion of year 12 with a 3.0 GPA
Vietnam	Bằng Tốt Nghiệp Phổ Thông Trung Học (Diploma of Completion of Secondary School) with a 6–10
Zambia	Zambian School Certificate Examination with 5–1
Zimbabwe	See General Certificate of Education: O Levels

Other accepted qualifications

General Certificate of Secondary Education (GCSE, IGCSE)	Completion with a C or higher
--	-------------------------------

International Baccalaureate	IB Grades of 4 or higher (minimum 22 points)

Program information

Standardized test scores

- GRE scores are not required for entry or progression.

Progression requirements

- B average (3.0 GPA) with no single grade below B-
- PMP credit hours applied to degree: 9

Total credits required for degrees:

- Chemical Engineering (30 credit hours)
- Civil Engineering (30 credit hours)
- Electrical Engineering (30 credit hours)
- Mechanical Engineering (32 credit hours)
- Computer Science (30-33 credit hours)

Entry to University of New Hampshire programs

- Master of Engineering in Chemical Engineering
- Master of Engineering in Civil Engineering
- Master of Engineering in Electrical Engineering
- Master of Engineering in Mechanical Engineering
- Master of Science in Computer Science

Graduate programs foster a close interdependence between research and classroom teaching and enhance the experience at the university.

Master of Engineering in Chemical Engineering

As a UNH Chemical Engineering student, you can develop new fuel cells to propel the next space shuttle or turn recycled materials into designer fabrics.

Chemical Engineering represents the in-depth study of large-scale processes that convert chemicals, raw materials, living cells, microorganisms and energy into useful forms and products.

Highlights

- Average starting salary of US\$67,814
- Environmental Research Group (ERG) has over 160 grants totaling more than US\$24 million.
- 14,000 square foot laboratory space

Focus areas:

- alternative fuels
- electrochemical processes
- heat transfer
- inter-facial fluid flows
- thermodynamics

Master of Engineering in Civil Engineering

The Civil Engineering department offers you a broad and diverse engineering discipline that encompasses the design, construction, assessment and maintenance of the constructed and natural infrastructure of society.

Faculty in the Civil Engineering Department have won numerous teaching and research awards, chaired professorships and national fellowships.

Highlights

- UNH Civil Engineering is ranked #98 in the U.S. (*U.S. News & World Report*, 2017).
- Median starting salary of US\$97,576
- Annual research of US\$4 million

Focus areas:

- environmental
- geo-technical
- materials
- structures
- water resources

Master of Engineering in Electrical Engineering

At UNH, the cornerstone of the Electrical Engineering program is the involvement of students in the solution of real-world problems. You will gain knowledge of

advanced electronic circuit and system design through the use of computer-aided design tools, hardware circuit prototyping and hands-on laboratory testing.

Highlights

- UNH has designed instruments for more than 20 NASA satellites.
- Microsoft Spectrum Observatory

Focus areas:

- robotics and neural networks
- human-computer interaction
- computer networking
- biomedical instrumentation
- communication systems
- digital signal processing

Master of Engineering in Mechanical Engineering

Mechanical engineering provides knowledge in the physical sciences, mechanics of solids and fluids, dynamic systems, thermal sciences, material sciences and design. This program is designed for students who want to construct real life solutions for modern day mechanical problems.

Mechanical Engineering requires an aptitude for math and science, along with good communication and organizational skills. The curriculum is demanding and will force you to stretch yourself.

Highlights

- 95% employment rate
- UNH Mechanical Engineering Program is ranked #109 in the U.S. (*U.S. News & World Report*, 2017).
- Largest flow physics facility in the world
- Graduates have gone on to work in well-known companies such as NOAA, Adecco, Waldron Engineering, Fujifilm Dimatix, Continental Biomass Industries and many more.

Focus areas:

- fluid and thermal science
- mechanics
- material science
- design and manufacturing
- dynamic systems and control

Master of Science in Computer Science

Graduates are employed at well-known companies like Apple, Facebook, Google, IBM, iRobot, Microsoft and Samsung.

The Master of Science program is designed to help students increase the breadth and depth of their computer science knowledge, strengthen their software development skills and build their research skills. Professionally-oriented students often complete industry internships and the program has an outstanding job placement record for its graduates.

Highlights

- Artificial intelligence research group
- Host of the annual robotics competition
- Many students participate in grant-funded projects.

Focus areas:

- artificial intelligence
- data visualization lab
- network research
- the Internet Teaching Lab (ITL)
- scientific database systems

Pre-Master's Program: Intellectual Property

The Franklin Pierce Center for Intellectual Property, at the University of New Hampshire School of Law, is one of the world's premier centers for the study of intellectual property law.

Master of Intellectual Property (MIP)

For 40 years, UNH Law has promoted intellectual property (IP) as an engine for innovation and growth. Our program prepares lawyers, business executives, government administrators, technology managers and others to become leaders in a global economy where intellectual property, in the form of copyrights, patents and trademarks, plays a central role.

And, our global network of successful alumni, connected to the tradition of UNH Law and the Franklin Pierce Center for Intellectual Property, gives students access to IP professionals in more than 80 countries.

Highlights

- Ranked in the Top 10 for Intellectual Property Law by *U.S. News & World Report* every year since 1992
- Home of the only academic IP library in the Western Hemisphere
- Alumni working in 49 states and 80+ nations
- IDEA: the Intellectual Property Law Review is one of the premier intellectual property journals in the world
- Home of the IP Mall, an internationally-acclaimed IP resource

#5

intellectual property law graduate program

(*U.S. News & World Report*, 2017)

Key courses

- Patent Law
- Patent Litigation
- Patent Practice and Procedure
- Copyright Law
- Copyright and Trademark Litigation
- Fundamentals of Intellectual Property
- International Comparative Copyright Law
- IP and International Trade
- Technology Licensing
- Trademark and Deceptive Practices Copyright

Entry to University of New Hampshire programs

- Master of Intellectual Property

Welcome to Durham

You will experience the benefits of a first-class university located in a picturesque environment within easy access of Boston, Massachusetts.

The campus rests in the charming New England town of Durham located on the east coast of the United States, with great access to cities, mountains and beaches. At UNH, you will be part of a quintessential American university community from day one.

The best of both worlds

The peaceful New England setting of Durham offers the best of both worlds: perfect for both urbanites and outdoor enthusiasts. This university town is located one hour north of Boston and within easy access of the snow topped White Mountains range, the serene Lakes Region or the beaches of the Atlantic Ocean. Being surrounded by stunning mountainous scenery, it's no wonder New Hampshire is referred to as the "Switzerland of America."

Four distinct seasons

Month	Season	Celsius	Fahrenheit
June	Summer	21° to 32°	70° to 90°
September	Fall	8° to 17°	46° to 62°
December	Winter	-6° to 2°	22° to 36°
March	Spring	5° to 15°	41° to 60°

Safest state in the U.S.

New Hampshire is consistently ranked among the top safest states in the United States. UNH reflects this standing by benefiting from a strong sense of tradition with a responsible, honest and engaged community. Take comfort in knowing that security is available to you on campus 24 hours a day.

Getting around

The train station on the University of New Hampshire campus goes south to Boston, Massachusetts and north to Portland, Maine. Boston's Logan International Airport is the major international airport for the New England region, which offers both domestic flights and direct flights from Boston to a number of international destinations.

Culture and sports

Cultural events can be found both on and off the campus of the University of New Hampshire. The university hosts a number of concerts and exhibitions every year and in the surrounding areas, art galleries, museums and theaters abound.

Durham, New Hampshire is the home of 18 Division I University of New Hampshire Wildcats athletic teams. New England is also home to championship-caliber, pro sports teams, including:

- Boston Bruins (ice hockey)
- Boston Celtics (basketball)
- Boston Red Sox (baseball)
- New England Patriots (American football)
- New England Revolution (soccer)

Outdoors

- Visit the beach in summer to swim, surf and sail.
- Go hiking, camping and rock climbing in the spring.
- Go skiing, snowboarding and snowshoeing during the winter.
- Seasonal activities for adventure lovers.

Shopping and dining

Traditional American foods and ethnic cuisines from around the world are easily found in the restaurants, bistros, and cafés of Durham. Fresh lobster and hearty clam chowder along with Thai, Chinese and Mediterranean foods are easily available.

New Hampshire is a tax-free state and shoppers can find big discounts in malls and retail outlets throughout the state.

A young man and two young women are sitting at a small outdoor cafe table in a town street. They are smiling and talking. In the background, there are brick buildings, a sign for 'Franz's FOOD', and a blue sign for 'PARKING PAY STATION'.

A classic New England college town

Accommodation

Live on campus in a classic American university community offering 27 different residence halls and nine different dining facilities.

On-campus housing

UNH offers guaranteed on-campus housing with accommodation available in 27 different residence halls. Making friends and getting involved is easy since all first year students live on campus.

The halls are grouped into three separate and very different residential areas: The Hills, The Valley and The Timbers. Whether you choose to live in the tree-filled lanes of The Hills, amid the hustle and bustle of The Valley near downtown Durham, or in the heart of the first-year campus at The Timbers, UNH has the right housing option for you.

UNH has co-ed and gender specific communities within their residence halls, as well as groups of students who share common interests such as sports, culture or technology.

Full access to facilities

All bedrooms are fully furnished and all residence halls are equipped with lounge spaces and kitchens, encouraging a social atmosphere.

As a UNH resident, you will also enjoy:

- wi-fi access
- on-site laundry facilities
- resident assistants and hall managers available 24/7

The department is responsible for creating warm, safe and inviting communities to ensure your time on campus is the best it can be.

Dining

The University of New Hampshire is home to one of the most innovative, lively and progressive collegiate dining programs in the country. Our goal is to provide a delicious, healthy and affordable campus dining experience. Whatever your dietary needs or tastes, you will find it right here.

As a student living on campus, you will enjoy an unlimited meal plan. This plan allows you to dine in any of the three award-winning dining halls, as many times as you would like throughout the day. Each dining hall features its own style of cuisine and varying menu. With a variety of offerings including sushi, Mongolian grill, pizza and vegan options, you're sure to be pleased. UNH Dining Services also expands student choices to a variety of on-campus locations such as cafés, convenience stores and a food court.

You will live in the same residential hall as American students, allowing you to experience the quintessential American university life firsthand.

The Department of Residential Life at UNH is available to help you connect with other residents, your instructors and the UNH community.

Life on campus at UNH

Discover like-minded students with a hunger for learning, a love of the outdoors and a drive to make a difference in their community.

Social events and activities

Making friends and exploring the local area are important parts of adjusting to life as a UNH student.

Some of the many student activities include:

- cultural celebrations
- International Education week
- music concerts and performances
- sports clubs and tournaments

Students also spend time supporting UNH's many Division I athletic teams. There is a special student section called the "Cat Pack," where students sit together and chant traditional cheers. Another popular activity is for students to touch the nose on the statue of the UNH Wildcat for good luck. We call this "Pat the Cat!"

Memorial Union Building (MUB)

The MUB is considered to be the heart of the UNH campus. It offers a range of services, leisure activities and amenities to enhance the quality of life for UNH students. MUB facilities include:

- student organizations and clubs
- 2D and 3D movie theaters
- games room
- UNH Apple authorized computer store
- study lounges
- the mailroom and shipping center

Student organizations and leadership

UNH has over 250 student clubs and groups to suit all interests—and this number is growing every year. A festival called University Day is hosted in the center of campus to help students explore and learn about these clubs at the beginning of each semester.

UNH students also have many opportunities to develop leadership skills and put them to use. Student Ambassadors work on projects that benefit our students throughout the school year while learning crucial leadership skills such as teamwork, organization and community outreach. Students can also become Orientation

Leaders to help new students during their first weeks at UNH by assisting them to their new surroundings and resources. Some other leadership opportunities on campus include participation in the Residence Hall Council and the Student Senate.

Hamel Recreation Center

The Hamel Recreation Center offers the latest recreational facilities and fitness equipment, including:

- a bouldering wall
- racquetball and badminton courts
- basketball courts
- 1/10 mile suspended track
- fitness center (weights and cardio equipment)
- changing room with saunas

Outdoor swimming pool

- US\$4.5 million investment in 2016
- 14,355 square foot pool
- 14,000 square feet of social space on the deck and lawn areas

Academic facilities

At UNH you will be able to take advantage of a range of facilities, including:

- Peer Assisted Student Success (P.A.S.S.) Center
- study lounges
- libraries
- the Mathematics Center
- the University Advising and Career Center (UACC)
- the Center for Academic Resources (CFAR)

Office of International Students and Scholars (OISS)

The Office of International Students and Scholars (OISS), part of UNH's Center for International Education and Global Engagement (CIEGE), provides immigration advising and support and coordinates programs to bring our international, campus and local communities together. OISS helps students

discover opportunities at UNH to immerse in American culture and share their own traditions with others from the U.S. and from around the globe.

Counseling and guidance

Adjusting to any new environment can be a stressful experience for some students. In addition to academic support, UNH provides excellent personal support through our free and confidential psychological services at The Counseling Center. Our psychologists and counselors are available to meet and discuss any concerns you may have about your academic, social or personal life. You can reach us at +1 603 862 2090. Please note that we are able to provide confidential language interpretation services, if needed.

Transportation

UNH has an on-campus train station that provides daily services to Boston, MA and Portland, ME. The Campus Connector bus service transports students around campus and Wildcat Transit buses take students to the surrounding towns and cities.

Campus security

New Hampshire is consistently ranked among the top three safest states, according to the Institute for Economics and Peace. The university offers campus security 24 hours a day. This is provided through the combined efforts of the Durham Police, UNH Police and UNH Security. The UNH Blue Light phone system allows you to contact the UNH Police from any location on campus and receive help within two minutes in the event of an emergency. If you feel uncomfortable walking alone, UNH also offers a free security escort service any time, day or night.

New Hampshire is consistently ranked among the top three safest states in the U.S.

Scholarships and bursaries

Navitas at UNH has a limited number of scholarships for outstanding students. Scholarships will be issued on a first-come, first-served basis.

US\$10,000 ambassador scholarship*

Academic excellence scholarships are available for students who have shown superior academic performance in high school (students with a 3.5 GPA+ and 6.0 IELTS/80 TOEFL+). An interview with a Navitas at UNH staff member will be required, along with a personal statement. As part of the terms of this scholarship, students are required to perform ambassadorial duties while studying in the Navitas program.

US\$5,000 academic excellence scholarship

Merit scholarships are available for students with a high academic qualification (students with a 3.0 GPA+ and 5.5 IELTS/70 TOEFL+) seeking to be rewarded for their performance. An interview with a Navitas Source Country Office or Navitas at UNH staff member will be required.

10% academic entrance scholarship*

For high quality students who accept their place at the University of New Hampshire early, we are offering a limited number of scholarships. Students who meet the GPA requirements and have a 5.5 IELTS/70 TOEFL+, can accept their offer by paying the administrative fee before the deadline.

Bertram Husch International Scholarship

The Bertram Husch International Scholarship Fund was established at the University of New Hampshire in 2000. The scholarship is awarded each academic year to international students at UNH who have shown outstanding performance, commitment to excellence and compassion.

Academic merit scholarships

Navitas at UNH is committed to helping you achieve your career goals by offering scholarships to outstanding students.

Each term, two students are awarded the Academic Merit Scholarship, which is based on academic performance.

Family bursaries

Navitas at UNH offers financial support in the form of family bursaries. A bursary applies where two or more students from the same family study at Navitas at UNH.†

The bursary is equivalent to 10 percent of the tuition fee of your program of study.‡

Scholarships are rewarded to outstanding international students who have shown superior academic performance and who will continue to achieve success in their university studies.

* Scholarships cannot be combined. Approximate value of the early acceptance scholarship is US\$2,800. All scholarships will be awarded on a first come, first served basis. The scholarship is a reduction of program tuition fees. Students must request a particular scholarship as part of their application process. Navitas at UNH reserves the right to not issue all scholarships if there is an inadequate pool of applicants. Scholarships will be awarded prior to arrival and applied to the students' second/third semester tuition. Scholarships are for students entering the undergraduate IUTP program only.

† Or a participating Navitas member institution.

The Navitas bursary is not applicable to any English language program or any component of an English language program offered by a Navitas member institution.

This information is correct as at the time of printing and may be subject to change without notice or at the discretion of Navitas member institutions or Navitas Limited.

Accommodation	Per semester	From \$3,410
Meal plan	Per semester	\$2,059 August & January/\$500 May

* Students will be charged per credit; actual cost may be higher or lower depending on specific course choices. Tuition, fees and charges are subject to change. † Fees and charges listed are current in 2016 and will be subject to increase in 2017. Additional fees apply for accommodations and meals when classes are not in session. For the most up-to-date listings, please visit unh.navitas.com/fees. Mandatory fees include Student Activities, Health Services, Counseling Center, Deferred Maintenance, Memorial Union, Student Recreation, Student Athletics, Transportation and Technology fees.

Essential information

How to apply

unh.navitas.com/apply

You may apply to Navitas at UNH directly or through an Navitas at UNH representative in your home country. For a list of authorized Navitas at UNH representatives, go to unh.navitas.com/navitas-recruiters. Early application and payment will secure your place in your chosen course and allow you enough time to obtain a student visa.

Conditions of enrollment and fee information

unh.navitas.com/conditions-of-enrollment

Before applying to Navitas at UNH you must read the Conditions of Enrollment, which contains information relating to fees, U.S. visa information, conditions relating to your course enrollment, course deferral and refund policy.

Successful applicants will receive enrollment terms of offer which, together with the Letter of Offer and Acceptance of Offer, form a binding agreement between Navitas at UNH and the recipient of an Navitas at UNH Letter of Offer.

International student visas

unh.navitas.com/microsites/predeparture

Once students have accepted their offer and completed all the conditions for their enrollment, UNH will issue an official acceptance letter and I-20. Students will use the SEVIS number on the I-20 to book a visa appointment at the local U.S. Embassy. The website displays “step-by-step” institutions on how to book a visa appointment, documents to prepare for arrival and other useful information for pre-departure.

Student profiles

unh.navitas.com/students

Navitas at UNH hosts students from many different countries. Visit our website to see profiles of current and past students and hear what they have to say about their experience in the Navitas program. Watch:

- student interviews
- videos of campus through the eyes of an international student

Policies and procedures

unh.navitas.com/policies-and-procedures

Navitas at UNH has a number of policies and procedures in place to comply with quality, regulatory and legislative requirements. These processes form a framework to ensure that Navitas at UNH delivers a high quality service to its students. Important policies include:

- privacy act
- code of conduct
- access and equity
- grievance, complaints and appeals
- credit transfer
- academic performance
- refund policy
- disability policy

Navitas at UNH YouTube channel

youtube.com/user/navitasatunh

Please visit our official YouTube page where you will find several testimonial videos of Navitas at UNH students who share their experiences about why they chose Navitas.

1866

Year university founded

“It’s very easy to make friends at UNH. Everyone is so friendly. They make you feel comfortable and treat you like family. The professors are great as well and are always helpful in assisting me and allowing me to have one-on-one conversations with them pertaining to my coursework.”

Declaration

Please read this declaration carefully:

(If you are under 18 years of age, your parents/guardian MUST also sign)

I declare that all information I have supplied on this form with respect to my application to Navitas at UNH is, to the best of my understanding and belief, complete, accurate and correct. I understand that giving false or incomplete information may lead to the refusal of my application or cancellation of enrollment. I have read and understand the published course information in the guide or website and I have sufficient information about Navitas at UNH to enroll.

I grant Navitas at UNH permission to correspond with my parent(s), guardians(s), and recruiter during the application process. I hereby give Navitas at UNH permission to obtain official records from an educational institution attended by me. I grant Navitas at UNH permission to provide University of New Hampshire with any information pertaining to my application of study, my ongoing academic progress, my housing, my activities with Student Life at University of New Hampshire, my results and attendance and other records regarding my studies and activities at Navitas at UNH (collectively, my "Student Records") for the purposes of my admission and transfer to Navitas at UNH and any other educational programs, Navitas program administration and, if I am a minor, or if I have otherwise provided my consent for the use of my Student Records for such purpose, for communicating with my family regarding my status and progress. I understand and agree that University of New Hampshire may require that I execute a consent or other agreement in order to transfer my Student Records to Navitas at UNH, I hereby agree to promptly execute such consents as may be required in order for University of New Hampshire to release the above-described Student Records to Navitas at UNH.

I understand and agree that Navitas at UNH may collect my personal information and may share it and my Student Records with Navitas Limited and affiliates for the purposes described herein and for the purpose of communicating with you regarding programs and services offered by Navitas Limited and its affiliates. Navitas at UNH, Navitas Limited and affiliates may store my personal information and Student Records in the United States and Australia and may use my personal information and Student Records for the purposes

of administering prospective, current and graduate student admissions and enrollment and education. For further information regarding the data collection and use practices and policies, consult our Privacy Policy located at unh.navitas.com

I understand that after I commence my studies with Navitas at UNH, I will need to successfully complete the program and maintain the minimum required GPA before I can continue my studies at University of New Hampshire. I understand that if I have applied through an approved University of New Hampshire or Navitas at UNH recruiter, any information contained in my Navitas at UNH application may be released to that recruiter.

I understand that fees may change without notice. I accept liability for payment of all fees as explained in this guide, and I agree to abide by the Refund Policy, which is current at the time of my studies at Navitas at UNH. I understand that living expenses in the United States may be higher than in my own country and I confirm that I am able to meet these costs. I understand that by signing this application form, I will be eligible to receive a letter of admission from.

Disclaimer

In signing this form I declare that I have read, understand and agree to the terms, conditions and privacy policy of Navitas at UNH.

I agree to notify Navitas at UNH immediately should there be any change to the information requested in this application, including disciplinary history.
